

## Quality Policy

**Excellence Logging** is committed to achieving and maintaining excellence in all Quality aspects to continuously meet or exceed customer expectations.

**Our goals are** to ensure the availability of adequate competencies and equipment; maintain and improve the effectiveness of our service delivery; determine and assess risks associated with our activities; put in place appropriate mitigation with control measures; and identify and implement all the latest regulatory and job specific customer requirements while considering at all times our Environment, Social & Governance principles.

**Company Management** holds the responsibility to ensure the requirements of this policy are communicated, understood and applied to all employees, contractors, suppliers, consultants, temporary staff and all personnel affiliated with third parties working for Excellence Logging.

**Our objectives are** to develop best practices and new dedicated techniques; optimize documented information and communicate acquired knowledge; continuously monitor key performance indicators defined, agreed, measured and reviewed in conformity with our Integrated Management System (IMS); analyse performance and trends to review the effectiveness of our IMS.

We recognize the importance Quality represents for our present and future customers. Everyone is encouraged to identify risks and opportunities. We are determined to provide the necessary resources to achieve our goals and will support initiatives for continuous improvement of the Excellence Logging Integrated Management System (IMS).
